SETOUCHI GOLF RESORT

We are located on the east side of Hiroshima in a town called Takehara, which is known as the `Petite-KYOTO`.

Takehara is a very attractive, little old town with traditional Japanese architecture and a few local breweries still producing "Sake" the old fashioned way. Its also very close to "The Rabbit Island".

WE ARE HERE!

The Resol Seto –Sea Golf Course is only 15minites from the center of the city and has some of the most beautiful views of the sea of any course in Japan.
